Dear Mr. Casey:

I would like to express my personal thanks for the outstanding work by a number of your people who helped make the recent visit to Washington, D. C. by many of our students a memorable trip.

On the morning of April 17, students from our advanced courses visited the National Photographic Interpretation Center where they were hosted by Mr. [redacted] Chief of the Land Forces Division, Office of Imagery Analysis. He and his briefers showed the important work that is being accomplished.
